## Donation Information

Through generous payroll deductions and one-time donations, Family for Families was able to grant funds to all those who applied with qualifying events and expenses. These donations truly show team members' commitment to the stability of their fellow members during tumultuous times.

In September 2023, Family for Families held our third annual fundraising campaign. We are so thankful for the response we received, with sites around the world taking initiative to organize their own unique events. Events included a photo contest to share what brings you joy, lunch and learns, bake sales, flea markets, and silent auctions. This campaign ultimately raised a total of over \$21,000, before the company match. Due to the generosity and involvement of hundreds of Coors family business team members worldwide, this significant sum means Family for Families will be well-equipped to fund grant requests in the coming year.

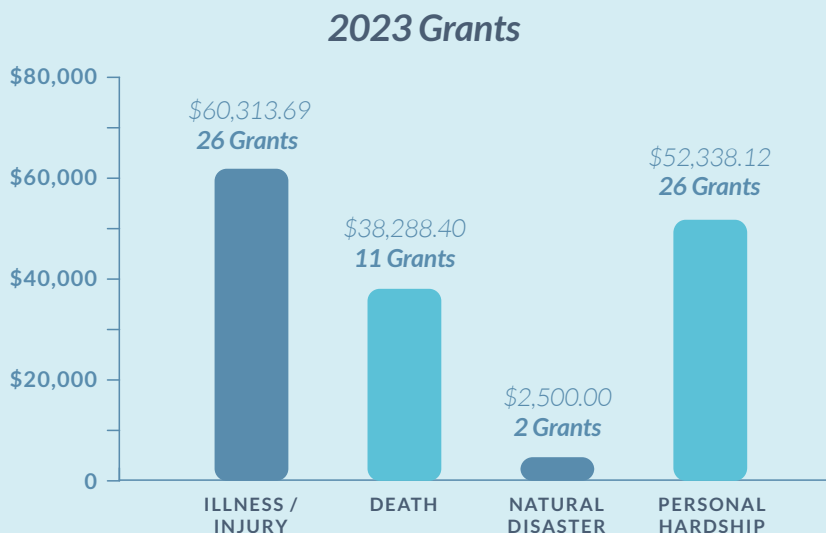

Every dollar donated to Family for Families is given to team members. All donations from team members are matched by their respective company!

Family for Families is committed to building a supportive environment for our team members during their times of need. When you give to Family for Families, you are directly impacting the well-being of your fellow team members when they need help the most.
